Attorney's Docket No.: 12732-043001 / US4901

REMARKS

Responsive to the action mailed August 27, 2003, applicant elects the invention of Group IV (claims 36-50). It is also believed that claims 51-63 should be included in this elected group because the claims were omitted from the restriction and are dependent from claims within Group IV. The election is made without traverse.

Claims 1-141 are now pending in the application with claims 1-35 and 64-131 being withdrawn from consideration. New claims 132-141 have been added and also correspond to the invention of Group IV.

Enclosed is a \$376 check for excess claim fees (\$266) and the Petition for Extension of Time fee (\$110). Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

  
John F. Hayden
